Schools – Expression of Interest for the 2022 WYNSPEAK Competition

Important Information

- The competition shall be run by 'The WYNSPEAK Committee', an organisation formed by a partnership between the Rotary Club of Hoppers Crossing and the Hoppers Crossing Apex Club. The committee comprises members from each of the above mentioned service clubs with support from our strategic partners with representatives from Rostrum Victoria, the Rotary Clubs of Caroline Springs, Melton, Altona City, and Western region Toastmasters clubs.
- Eight preliminary rounds will be held next year, with 5 preliminary rounds to be held within the City of Wyndham, two preliminary rounds to be held in the City of Melton (Caroline Springs) and one preliminary round to be held in the City of Hobsons Bay (Altona).
- Schools from within or near to the Caroline Springs or Altona areas currently competing in WYNSPEAK may elect to compete at the Caroline Springs or Altona-based rounds. The final decision as to which schools participate in each round will be at the discretion of the WYNSPEAK planning committee, subject to demand and order of entries.
- The competition final will be held at Thomas Carr College Performing Arts Centre on June 1st 2022.
- 'The WYNSPEAK Committee' will be solely responsible for the conduct of the competition, any governing rules, the adjudication of the competition and the declaration of finalists and winners.
- The competition is open to all students attending secondary schools situated within the Western Region of Melbourne, or to those of secondary school age and entered by local youth organisations or alternative schools in the Western Region of Melbourne.
- The competition shall be in two age sections; a junior section for students of school age corresponding to years 7-9, and a senior section for students of school age corresponding to years 10-12.
- Each school may enter two students in the junior section and two students in the senior section of the competition. It is recommended that all schools select and submit details of reserve students who may be called into a preliminary round at short notice.
- Please note details of all dates and venues will be provided to all colleges well prior to the Competition commencement
- Adjudication will be provided by appropriately experienced members of Apex, Rotary & Toastmasters clubs.
- Information about adjudication criteria, speech duration limits, warning bells, etc. will be provided to all schools in a student information pack prior to commencement of the competition.
- All competitors will receive a certificate of achievement as an acknowledgement of their efforts and preparation for the competition.
- Winners of each preliminary round of the prepared speech competition in both the junior and senior sections shall receive a prize, with the winners of the competition final in each of the junior and senior sections to receive cash prizes and a trophy. Prizes will also be presented to junior and senior section winners of the short notice speech competition during all preliminary rounds of the competition and the competition final.
- The schools or sponsor organisations represented by the winner of the prepared five-minute speech competitions in both the junior and senior sections of the competition will be presented with a perpetual trophy to be held for a period of twelve months.
- Where possible students will be scheduled to compete in venues other than their own school.
- The Junior and Senior winners of Wynspeak gain direct entry at State Final level into the Rostrum Voice of Youth, which occurs shortly after the Wynspeak Final.

Competition Criteria

The competition shall consist of two separate sections as described below.

Section 1 – Prepared Speech Competition

In this section, the students are to prepare a speech of five minutes duration on a topic of their choice. Topics should not be of an offensive or divisive nature (eg. Religious, political, life choices) - if in doubt, the nominated teacher may refer the topic to the WYNSPEAK committee for clarification. The prepared speech should be the students' own work, and not be plagiarised from other sources.

Section 2 – Short Notice Speech Competition

In this section, the students are to prepare a short notice speech of two minutes duration on a random topic, with the topic to be provided to the speaker on the night. This will be a totally separate competition and results of this section will not impact on the prepared speech competition. The structure of the speech should be similar to that in the five-minute speech competition but with only four minutes preparation time.

Important information

The Junior and Senior winners of the WYNSPEAK 2022 prepared speech competition will gain automatic entry into the Rostrum Voice of Youth Competition Victorian State Finals and will be expected to compete. This competition will be held in late June, 2022, pending confirmation from Rostrum Victoria.

Special note:

Due to unprecedented interest by new schools, we would appreciate your expression of interest response no later than 26th November 2021 so that your college can be guaranteed of a place in next year's WYNSPEAK competition. Please note we will not be calling for student names until early in 2022.

If any of the school WYNSPEAK Coordinators will be departing their roles at the end of 2021 then we thank them for their support and invite them to inform us of their replacement's contact details as soon as possible.

Important notice: Any student entering WYNSPEAK 2022 should be informed before entering that their image and voice may be used in publicising the WYNSPEAK competition via WYNSPEAK media or any other form of publicity for the WYNSPEAK competition. Receipt of the Expression of Interest form will be accepted only on the basis that competing students have agreed that their images may be shown for marketing/information purposes only. Please note that personal contact details of the winning student (or his /her parents) will be sought at the conclusion of WYNSPEAK 2022 in order for Rostrum Victoria officials to contact winning students and provide details of topics and dates for the Rostrum Voice of Youth Victorian State Final.

Prizemoney will be awarded directly into a nominated bank account, details of which should be provided to the organisers directly or via school teaching staff.

Special note pertaining to WYNSPEAK 2022

In recent times COVID issues have impacted student availability to take part in the heats, necessitating calls for standby students in unprecedented numbers. To address this issue for WYNSPEAK 2022, there will be no limit set on the number of students nominated by schools in both the Junior and Senior sections, however student nominations should be listed in order of preference.

The Committee will confirm which students will be selected for preliminary rounds and the remainder will be invited to compete in the event of withdrawals or student shortages.
