JUNIOR COMPETITION – ADDITIONAL STUDENTS

Student Name	Year level

Note: The additional entries you have submitted above will be entered into the competition subject to capacity.

Normally we have a number of withdrawals for various reasons and the above students will have priority entry if there is room on the program for each preliminary round or in the case of late withdrawals.

It is therefore important for students to have a speech prepared in the event they will be called into the competition

The two seniors and two juniors you have nominated on the student entry form are considered to be your first-choice entries and will automatically gain places in the 2023 Wynspeak Competition.

There may also be opportunities for additional students to enter other public speaking competitions associated with Wynspeak.
